OFFICE MEMORANDUM

To,

All Regional Officers/PDs
National Highways Authority of India

Sub: Simplifying the process of product approval in NHAI - reg.

Ref: NHAI OM no. NHAI/TIC/PQ/2012-13/205 dated 19.10.2022

In order to avoid the need of repeated source approval for same product every time in different NHAI projects, a list of 11 products was circulated vide OM under reference with their approved sources subject to certain conditions. The list has been reviewed and the updated list is attached herewith as Annexure-I subject to fulfilment of the following conditions: -

- Submission of MTC (Manufacturer Test Certificate) along with Third Party Test report from NABL accredited Laboratory for each material/product and each project.
- Field tests of individual batch/lots to be carried out before allowing the material/product to be used.
- Only fresh materials/products from the source be supplied at site.
- Any material/product not meeting out the prescribed standards should not be put to use.
- The records of all material/product should compulsorily be kept as a separate record with the concerned authorities before use of material/product in NHAI projects.

2. In addition to above, any manufacturer/supplier meeting the prescribed standards can approach the project site and be considered for source approvals as per laid down guidelines for the material/product subject to fulfilment of conditions for source approval of the material/product.

3. It is also mentioned that changes in the list, if any, with respect to the addition/removal of any material/product will be notified periodically.

4. In case of any inconsistency in the performance of the products from the empaneled firms, the same should be reported and the one time source approval of the firm will be suspended without any further notice.

5. This issues with the approval of Competent Authority.

Encl: As above.

Cc: All Committee Members
